Welcome

Delighted to finally have our charity up and running and looking forward to some very exciting events planned as we head towards Xmas and into 2017. A huge **Thank You** to those who have supported throughout the set up process.

Every penny goes directly to the children it was raised to help – not on any admin. All set up costs, annual accountancy fee and overseas bank charges are paid for by the Glen Mhor Hotel as part of their donation to us and from the founders Victoria & Jon Erasmus.

We are now registered with **Virgin Money Giving** so please pass the word around for those looking to either donate or take part in any sponsored event for us. Always happy to help support in any way we can – please get in touch for more fundraising information and ideas.

If you are looking to purchase some amazing art and craft supplies or gifts, then please try using Yellowmoon.org.uk - a fantastic art/craft charity fundraising site where every purchase you make **they will donate 10% of the total to our Charity!**

Use our unique source code: **THE49530** at the end of your order and help support the South African Children's Charitable Trust.

The Children selected these activities as part of a holiday wish list and we are determined to make these wishes come true.

Please help us reach our target of £1000

All additional funds raised will go toward new school uniforms and equipment for the children starting the new school year 2017!
